My motivation

Passionate about solving real-world problems and making a difference.

Soft Skills

- Communication Skills
- Teamwork in Agile Environments
- Technical Documentation
- Analytical Problem-Solving
- Proactive and Initiative-Taking

Hard Skills

</> C#/.NET, Java, JavaScript, TypeScript + React, C, C++, Python, SQL, Node.js

⚙ Jira, Azure, Git, REST API, Docker

Skill Ratings

Skill	Rating
C#/.NET: 5/5	★★★★★
React: 5/5	★★★★★
REST API: 5/5	★★★★★
AI Tools: 5/5	★★★★★
Python: 4/5	★★★★☆
Java: 4/5	★★★★☆
TypeScript: 4/5	★★★★☆
JavaScript: 4/5	★★★★☆
Azure: 4/5	★★★★☆
SQL: 4/5	★★★★☆

Languages

Language	Rating
English: 5/5	★★★★★
Danish: 5/5	★★★★★

Experience

Development Consultant
May 2023 - June 2024
Region Nordjylland

- Developed and maintained backend systems for automated clinical data reporting.
- Integrated new data providers via REST APIs and tested system components.
- Resolved bugs and refined frontend elements to enhance user experience.

Software Developer
September 2022 - February 2023
Rohde & Schwarz

- Migrated and restructured the company's codebase to GitLab, improving version control.
- Automated critical workflows using Python and shell scripting, boosting system efficiency.

Education

Software Bachelor
2022
Aalborg University

- Evaluated driving behavior using raw GPS data to promote efficient driving.
- Developed a web application that provided feedback on route optimization.
- Translated complex technical concepts into clear reports and presentations.

GlobalTech
2018
Aalborg Technical High School

- Focused on Mathematics A, Electrical Engineering A, Communication/IT A, and English A.
- Completed an international track with a semester in Australia and a 3-week internship in London as a web designer.

Activities

- Hiking
- Researching topics in my spare time
- Music experiences
- Exploring the world of food
